Having read the Enrolment Policy, please tick the box that applies to your child

a. My child will be at least 4 years old before the 1st of March 2022 and I have provided proof of this in the form of a birth certificate accompanying this application.	
b. My child has a sibling who is/was a pupil of the school	
c. My child's parent is a member of staff	
d. My child has attained a level of fluency in Irish which would be expected if the language was spoken at home as a regular means of communication in a non-educational environment, taking the age and any extra educational needs of the child into account and it is likely that my child's fluency will regress unless they are given a place in this Irish medium school.	
Where a parent wishes their child to be considered as a child who has achieved a 'level of fluency in the Irish language', the parent must provide evidence to prove/display the fluency to the Board of Management's representatives. This evidence must be provided with the application; except for evidence provided by attending a meeting at the school, if such is requested by the parents/guardians. Please tick here if you wish to have a meeting arranged.	
e. My child is in the "Other Applicants" category	

The school's Privacy Notice is available on www.gaelscoiloilibheir.ie. I confirm that what I have written above is true. I have read and I understand the Enrolment Policy for September 2022.
