Scoil Oilibhéir is committed to providing a safe and healthy workplace for all our staff and a safe learning environment for all our pupils. To ensure that, we have developed the following COVID-19 Response Plan. The BOM and all school staff are responsible for the implementation of this plan and a combined effort will help contain the spread of the virus. We will:

- Continue to monitor our COVID-19 response and amend this plan in consultation with our staff.
- Provide up to date information to our staff and pupils on the Public Health advice issued by the HSE and Gov.ie.
- Display information on the signs and symptoms of COVID-19 and correct hand-washing techniques.
- Agree with staff, a worker representative who is easily identifiable to carry out the role outlined in this plan in relation to summer provision.
- Inform all staff and pupils of essential hygiene and respiratory etiquette and physical distancing requirements.
- Adapt the school to facilitate physical distancing as appropriate in line with the guidance and direction of the Department of Education and Skills.
- Keep a contact log to help with contact tracing.
- Ensure staff and pupils engage with the induction / familiarisation briefing provided by the Department of Education and Skills.
- Implement the agreed procedures to be followed in the event of someone showing symptoms of COVID-19 while at school.
- Provide instructions for staff and pupils to follow if they develop signs and symptoms of COVID-19 during school time.
- Implement cleaning in line with Department of Education and Skills advice.
- All school staff will be consulted on an ongoing basis and feedback is encouraged on any concerns, issues or suggestions.
